The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

Digitized by Google

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at *Windsor*, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time

appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

(1.) Without rank; or

(2.) On the Honorary List, with the rank they may hold at the time of their retirement; or

(3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants . . . . 10*s.* a-day.

Sub-Lieutenants . . . 7*s.* a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT,

The 7th day of January, 1864.

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of January, 1864, in the words following, viz.:—

"Whereas by Your Majesty's Order in Council of the 26th of October, 1860, Your Majesty was graciously pleased to empower us to place on the lowest or any intermediate rate of half-pay such Officers of Your Majesty's Fleet as by misconduct or irregular habits might from time to time render themselves unworthy to enjoy the higher rates of half-pay allowed to their brother Officers; And whereas instances have occasionally occurred in which, in consequence of intemperate or irregular habits, Officers of Your Majesty's Navy and Marines have been pronounced by medical evidence to have unfitted themselves for further active employment: We would humbly submit to your Majesty that in future, when we shall have fully satisfied ourselves, after due enquiry, that an Officer's incapacity for further active service has been occasioned by his own irregular and imprudent conduct, we be authorized to reduce such Officer's half-pay to a still lower scale than is sanctioned by Your Majesty's aforesaid Order in Council, viz., to such an amount below the minimum rate of the half-pay of his rank as we may consider to be adapted to the circumstances of the case."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) Edmund Harrison.

 do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

REGULATIONS FOR THE ENTRY EXAMINATION, ETC., OF NAVAL CADETS.

I. No person will be nominated to a Cadetship in the Royal Navy who shall be under 12, or above 14 years of age at the time of his first Examination.

II. Every Candidate, on obtaining a nomination, will be required to pass an Examination at the Royal Naval College at Portsmouth, within three months of nomination.* In the special cases of nominations granted to the sons of natives of Her Majesty's Colonies, a Candidate will be allowed to pass a *preliminary* examination on board the Flag or Senior Officer's Ship on the Station; but such examination must be passed in strict accordance with these Regulations, and should the Candidate be found qualified, it will still be necessary that he should be sent to England, to be entered on board a Training Ship, where he will be subject to the same regulations as other Cadets.

III. The Candidate must produce a Certificate of Birth, or Declaration thereof made before a Magistrate.

IV. The Candidate must be in good health and fit for the Service, that is, free from impediment in speech, defect of vision, rupture, or other physical inefficiency:—

Candidates will be required—

1. To write English correctly from Dictation, and in a legible hand.

2. To read, translate, and parse a passage from French, or from some other Foreign Living Language.

N.B.—The aid of a Dictionary will be allowed for these Translations.

And to have a satisfactory knowledge of—

3. The leading facts of Scripture and English History.

4. Modern Geography, in so far as relates to a knowledge of the principal Countries, Capitals, Mountains, and Rivers. To be able to point out the position of a place on a map when its Latitude and Longitude is given.

5. Arithmetic, including Proportion, and a fair knowledge of Vulgar and Decimal Fractions.

6. A knowledge of the Definitions and Axioms of the First Book of Euclid.

Should a Candidate be able to speak French or any other Foreign Living Language, it will be noted in his favour, and as Drawing is a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

V. If the Candidate be found not qualified at his First Examination, he will be allowed a second trial at the next Quarterly Examination. Should he not pass this Second Examination, he will be finally rejected.

VI. If the Candidate succeed in passing the required Examination he will be at once appointed to a Training Ship for the purpose of instruction, and obtaining knowledge in the Rigging of Ships, Seamanship, the use of Nautical Instruments, &c.

VII. Quarterly Examinations will be held on board the Training Ship, when any Cadet may be examined in certain subjects, and also in the course of instruction in the Rigging of Ships, Seamanship, &c.†

VIII. If a Cadet be found, at the Quarterly Examinations, not to have made sufficient progress, or if, by indifferent conduct or idle habits on board the Training Ship, he shall show his unfitness for the Service, it will be the duty of the Captain to make a Special Report thereof to the Admiralty, in order that the Cadet may be at once removed from the Navy.

IX. When a Cadet shall have completed 12 months' instruction, exclusive of vacations, in the Training Ship, he will be examined; and should he obtain a Certificate of Proficiency, he will be discharged into a Sea-going Ship.

C. PAGET.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action of distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the

Digitized by Google

same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*;—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon; provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

Digitized by Google

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay.*

9 The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the date of these Instructions, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be quite liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—*notify his marriage within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank in which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the Sons of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

That the flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributable proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulation as to the apportionment of the flag share to the flag officer or officers is to be observed.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander under the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint-captors, &c., the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, five parts, and each lieutenant commanding or master commanding, or other officer actually commanding a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall this have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

PRIZES BROUGHT BEFORE THE VICE-ADMIRALTY COURTS ABROAD.

Her Majesty having been pleased, by Her Order in Council of the 22nd day of October, 1859, to establish the following Regulations for the several Courts of Vice-Admiralty abroad, touching the practice to be observed in the said Courts in proceedings instituted on behalf of Her Majesty's Ships, and as to the costs incurred in such proceedings, and for securing the transfer to the account to Her Majesty's Paymaster-General, on account of Naval Prize, of the proceeds of any prizes which may be condemned in the said Vice-Admiralty Courts to any of Her Majesty's Ships, My Lords hereby make known the same for the information of the Officers of Her Majesty's Ships whom they may concern.

1. Whenever any Ship, Vessel, Goods, or Merchandize has or have been detained or captured by any of Her Majesty's Ships or Vessels of War, and it has been determined to send the same before some Vice-Admiralty Court for adjudication, the Commanding Officer of the capturing Ship shall deliver to the Officer who may be sent in charge of the Prize an authority to institute the necessary proceedings, and such authority shall be in the terms or to the effect contained in the Exhibit hereto annexed marked No. 1.

2. The Officer to whom such authority is given shall, upon his arrival in Port, or the Commanding Officer shall himself, if in Port, deliver the said authority to the Queen's Proctor in the Colony, or in his absence, or on his refusal or default to institute proceedings, to any other Proctor in the said Colony; and such Proctor may thereupon institute the necessary proceedings against the said Prize, with a view to her condemnation.

3. At the termination of the proceedings the Proctor who shall have conducted the suit on behalf of the Queen's Ship shall submit his costs, as also any charges which may have been paid for him, and which are properly chargeable against the said Prize, including the expenses, if any, attending the maintenance and conveyance of the Prize Officer and Crew, for taxation; and the Registrar of the Court, after having carefully examined them, shall report to the Court the amount at which such costs, charges, and expenses ought to be allowed.

4. Should the Prize be condemned, then, if the proceeds arising from the sale thereof are sufficient, the Court may order payment of the sum at which the said costs, charges and expenses have been taxed, to be made out of the said proceeds, and the balance of such proceeds shall be forthwith paid to the senior Commissariat Officer of the place, in order that the same may be remitted to this country, in accordance with the provisions of the Act of the 17th Victoria, cap. 19.

5. But if the proceeds shall be insufficient to pay the amount at which the said costs, charges, and expenses have been taxed, the Court may order the whole of the said proceeds to be paid in part satisfaction thereof; and the said Proctor may then draw on the Accountant-General of the Navy a bill, at thirty days after sight, for the balance remaining unpaid, and shall transmit with such bill the authority above mentioned from the Commanding Officer of the capturing Vessel for instituting proceedings against the said Prize.

6. If, however, there shall be no proceeds, or if the Prize against which proceedings have been instituted has been decreed to be restored, the Proctor may draw upon the Accountant-General of the Navy a bill at thirty days after sight for the whole amount at which the said costs, charges, and expenses have been taxed and allowed by the Court, and shall transmit with the said bill the authority from the Commanding Officer of the capturing Ship, authorising him to institute proceedings against the said Prize.

7. The Registrar of the said Court shall, as soon as possible after the said Costs are taxed, and *before* the Proctor has drawn upon the Accountant-General of the Navy for the amount which may be due to him, transmit the account of the said costs, charges, and expenses in original, signed by himself and the Judge of the said Court, to the Registrar of the High Court of Admiralty of England, accompanied with a certificate stating the amount at which it has been taxed, whether the whole or what part thereof has been paid, and whether any and what part remains due, and for which the Proctor may draw upon the Accountant-General of the Navy, and if the proceedings have not been conducted by the Queen's Proctor, whether that officer has declined or refused to conduct them, and on what grounds.

8. The Accountant-General of the Navy shall, upon any such bill as aforesaid being presented to him for payment, forward to the Registrar of the High Court of Admiralty a statement showing the amount for which the bill is drawn, the name and description of the person by whom it is drawn, and the Prize in respect of which the same is payable, and the Registrar shall thereupon inform the Accountant-General whether the amount for which the bill is drawn agrees with the account received by him from the Registrar of the Vice-Admiralty Court, and whether there is any reason why the said bill should not be accepted and paid.

9. Upon receiving the reply of the Registrar of the High Court of Admiralty, the Accountant-General of the

Navy may accept the said Bill, in whole, or in part, to the extent of the amount which may appear to be properly due, and shall, if a condemnation has taken place, debit such amount against the Prize in respect of which the said costs, charges, and expenses have been incurred; and the bounties or other monies which have been, or may thereafter be paid to the Naval Prize Account in respect of the said Prize, shall be applied, so far as they will extend, towards the reimbursement of the said amount.

10. But if there should be no such bounties or other monies, or if the bounties or other monies should be insufficient for the purpose, the amount which remains unsatisfied shall be placed to the debit of the Commanding Officer of the Ship of War who authorized the seizure, and shall be charged against any prize money or pay which may be or become due to him, unless the Commissioners for executing the office of Lord High Admiral for the time being shall think proper to relieve him from the payment thereof.

11. The Registrar of each Vice-Admiralty Court shall transmit at the end of each quarter to the Registrar of the High Court of Admiralty a return of all the Prizes in respect of which any proceedings have been taken during the said quarter, in the Form hereto annexed, marked No. 2, showing the name of the Prize, the names of the capturing Ship and of its Commanding Officer, the date of the adjudication, the amounts of proceeds, if any, the amounts of the costs as taxed and allowed, the amount, if any, for which the Proctor has been authorized to draw upon the Accountant-General of the Navy, the payments that have been made out of the proceeds, specifying the amount thereof, to whom paid, and when, and such return shall be signed by the Judge and Registrar of the said Vice-Admiralty Court.

12. These Rules, Orders, and Regulations, if approved by Your Majesty in Council, shall be transmitted to all the Vice-Admiralty Courts within Your Majesty's Dominions, and shall come into operation on the 1st day of January, 1860, or as soon afterwards as it shall be known to the Officers of the respective Vice-Admiralty Courts.

We do therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of his Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

said ... And the Shipper and Owners and Consignees of the said ... Then in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages, shall be as follows, viz.

[*For Rates see Proclamation dated 23 April, 1831, page 283.*]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

"I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

Given at Our Court at *St. James's*, this Eighth Day of *June* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

At the Court at *Windsor*, the 1*st* day of *November*, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it was enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war should be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it was by the said Act also enacted that Her Majesty in Council might from time to time make such orders as might seem meet for the better execution of the said Act:

And whereas it was by the said Act further enacted that the said Act should commence on such day, not later than the first day of January, one thousand eight hundred and sixty-five, as Her Majesty in Council should think fit to direct:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered as follows:

1. This Order and the Naval Agency and Distribution Act, 1864, shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-four.

2. All money distributable among the officers and crew of any of Her Majesty's ships-of-war, within the meaning of the said Act, shall be paid either into the Bank of England to the credit of Her Majesty's Paymaster-General, or into the hands of an official accountant (belonging to the Commissariat or some other Department), appointed for the purpose by the Lords Commissioners of Her Majesty's Treasury, or by the Lords Commissioners of the Admiralty.

3. The Commissioners of Greenwich Hospital shall from time to time pay into the Bank of England, to the credit of Her Majesty's Paymaster-General, all sums certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any such money distributable as aforesaid, as was before the 1st day of June, 1829, paid into Greenwich Hospital.

4. Before any money distributable as aforesaid is actually distributed, notification shall be given by "advertisement inserted in the 'London Gazette,' under the direction of the Lords Commissioners of the Admiralty.

5. If the share of any person of any money distributable as aforesaid is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

6. Notwithstanding that any such share has been forfeited, or is unclaimed, the Lords Commissioners of the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

7. All accounts relative to any money distributable as aforesaid (whether the same became distributable before or after the commencement of the present Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

8. Where it is made to appear to the satisfaction of the Lords Commissioners of the Admiralty that any person entitled to a share of any money distributable as aforesaid, is, from his state of mind, incompetent to the management of his affairs (not being, however, found or declared lunatic in course of law), the whole or any part of such share may be paid over, under the direction of the Lords Commissioners of the Admiralty, to the wife or relative of other person having the care and maintenance of such incompetent person, to be applied for his maintenance and benefit.

9. Any assignment made by a warrant officer of any money distributable as aforesaid shall be void, unless it truly expresses the consideration-money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same.

10. In the subsequent provisions of this Order, the term "subordinate officer," "seaman," or "marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers.

11. The share of any subordinate officer, seaman, or marine of any money distributable as aforesaid shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereinafter prescribed.

12. Every such order shall be drawn on a printed form issued for the purpose to the drawer by the Accountant-General of the Navy.

13. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

The drawer's wife.
" father or mother.
" son or daughter.
" brother or sister.

14. Every such order shall be signed by the drawer in the presence of the person who is to certify according to such directions as may be subjoined to the form of order.

15. Every such order shall be irrevocable during the life of the person in whose favour it is drawn.

16. Nothing in the present Order in Council shall affect any order drawn by a subordinate officer, seaman, or marine before the first day of January, one thousand eight hundred and sixty-five.

17. If on, or at any time after, the first day of January, one thousand eight hundred and sixty-five, a licensed agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any money distributable as aforesaid, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claims shall be duly discharged under the direction of the Lords Commissioners of the Admiralty as nearly as may be, as if the said Act had not been passed.

18. Payments of shares of money, distributable as aforesaid, at places where there are not any Naval Accountants, shall be made upon remittance bills by any officer of the revenue, and the amounts so paid shall be repaid to the respective Departments of the Revenue in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty may from time to time direct; and in all cases of remittance bills made out and not paid, owing to the death of the party or other cause, such bills shall be returned to the Accountant-General of the Navy to be cancelled.

19. An account shewing all the receipts and expenditure on account of money distributable as aforesaid, made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

EDMUND HARRISON.

Admiralty, 6th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIDNEY HERBERT.

1. A Certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper offices from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between 10 and 11 years of age, physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the four first rules in arithmetic.

But no boys will be compelled to enter the Royal Navy against their own consent.

The "Nautical Division" of the Greenwich Hospital School will consist of 110 boys, who will be discharged at the age of 15 years, unless specially recommended by the Principal of the school to remain an additional year for further instruction, which special cases will be taken into consideration by the Lords Commissioners of the Admiralty. The education in the Nautical Division will embrace such mathematical instruction as is necessary for a sound knowledge of the principles of navigation, the theory and practice of marine surveying, construction of charts, the practical use of instruments for magnetical and astronomical purposes, together with the usual elements of an English education, the study of the Bible, and instruction in the doctrines of Christianity, with such modifications in the course of instruction as the Lords Commissioners of the Admiralty may from time to time direct.

The education of the other boys, who comprise the "Lower Division" of the school, will include reading, writing, spelling, arithmetic, the elements of algebra, Euclid, plane trigonometry, the principles of the steam engine, together with such simple elements of practical science as are made the subjects of the evening lectures to the boys. Also the elements of an English education and religious instruction.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholic or of Protestant Dissenters will not be required to learn the Church Catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the Father be dead at the time of a child's admission, then the marriage certificate, or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such Child

SEA-TIME TO AGENTS OF TRANSPORTS.*

At the Court at Buckingham Palace, The 25th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

WHEREAS there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 24th of this instant June, in the words following, viz.:—

"Whereas we are of opinion, that it would be desirable, for the benefit of Your Majesty's Naval Service, to hold out every encouragement to Commanders, Lieutenants, and Masters holding the appointment of Agent for Transports; and as these Officers are under existing Orders in Council, denied Sea-Time whilst serving in this capacity, which operates to their disadvantage in regard to Promotion and the increase of Half-Pay. We would, in all humility, recommend to your Majesty, that Commanders, Lieutenants, and Masters who may now be serving, and who for the future may be employed as Agents of Transports, shall be allowed to reckon such service as Sea-Time."

Her Majesty having taken the said Memorial into consideration was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) WM. L. BATHURST.

* By Admiralty Order of 20 July, 1863, officers employed in this capacity are to be styled "Transport Officers."

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commander of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, by the Staff Officer of the District in which he resides; and in such certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

At the Court at Windsor,

the 9th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"First, as relates to Captains.

"1. That the Active List of Captains shall be reduced from 350 to 300.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired	18s. per diem.	
If on the 12s. 6d. " " "	20s. "	
If on the 14s. 6d. " " "		

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.

"3. That the above system of retirement shall be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8.

"When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to allow a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"Those Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

"7. That the increased rate of 25s. per diem Half-pay shall be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of retired pay or emolument.

"8. That no Officer who was not on the Active List of Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

"Second, as relates to Commanders.

"9. That the Active List of Commanders be reduced from 450 to 400.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 15 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

"11. That the same plan of retirement, with its corre-

sponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

"12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

"13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

"*Third, as relates to Lieutenants.*

"14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

"15. That Lieutenants who have completed 16 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

"16. That Lieutenants who are either now on the Retired or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

"17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

"Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into execution the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR (late) No. 16.
N
Admiralty, 17th June, 1862.

(ENGAGEMENTS FOR CONTINUOUS SERVICE.

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relating to engagements for continuous service, be promulgated for the information and guidance of the Officers in command of Her Majesty's ships, and the seamen of the Fleet:—

1. Men who enter the Royal Navy for the first time as continuous service men, are to engage for 10 years' service. Having served that period, they may have the option of completing their time for pension either by two seperate entries of 5 years each, or by one entry for 10 years.

2. Non-continuous service men who volunteer for continuous service, are likewise to be entered for 10 years. Those who so volunteer, when serving afloat, may be permitted to count towards such 10 years any period of non-continuous service time, not exceeding 3 years, served on board the particular ships from which they volunteer.

3. Men who have completed 10 years' service under the rules laid down in the preceding paragraph, and those who have served 7 years' continuous service under the regulations in force prior to the 1st of January last, are to have the option of re-entering for 5 years, and a subsequent entry for the period necessary to complete their time for pension; or they may engage for the whole period requisite for that purpose.

4. No man who has served 10 years upon the non-continuous service system is to be permitted to enter for continuous service, unless, within 12 months after having completed the said period, he engages for one term of 10 years' further service.

By Command of their Lordships,
C. PAGET.

(PASSING FOR LIEUTENANTS AND MASTERS.)

Midshipmen and Acting Sub-Lieutenants are required to pass their several Examinations for the rank of Lieutenant, in accordance with the Regulations which were in force at the time when they severally entered Her Majesty's Service.

Officers who entered the Service previously to the 1st May, 1857, are to be allowed the option of passing after Five Years' Service, under the provisions of the late Circular No. 288, paragraph 20. Should they fail to pass under those provisions, they will be required again to undergo their several examinations for the Rank of Lieutenant at the expiration of Six Years' Service; and in no case will Seniority be allowed an Officer from an earlier date than the completion of such Six Years.

Officers who entered the Service between the 1st May, 1857, and April, 1860, must pass in accordance with the late Circular No. 288.

The Regulations referred to will be re-inserted in the Quarterly Navy List.

Masters' Assistants and Acting Second Masters will not be required to produce the number of observations mentioned in Article 11, page 68, of the Instructions until May, 1863.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 288.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that to Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

Excellent on the first Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or of the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 38, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates, shall equally apply to them. Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd] Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

INFORMATION FOR MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN COLONIES.*

1. Privileges in the acquisition of lands are at present allowed to military and naval officers in the colonies of New South Wales, Western Australia, some of the provinces of New Zealand,† Ceylon, the Cape of Good Hope, Natal, and British Columbia.

In all the above-mentioned colonies, except Ceylon, the control of the waste lands of the Crown has been transferred to the local legislatures. Her Majesty's Government cannot therefore guarantee the continuance of the following regulations, as they will be liable to be altered or discontinued by the local legislatures.

2. In the above-named colonies land is disposed of by sale only; but officers purchasing land are allowed a remission of the purchase money, according to the under-mentioned scale:—

	£
Field officers of 25 years service and upwards, in the whole	600
Field officers of 20 years service and upwards, in the whole	500
Field officers of 15 or less years service, in the whole	400
Captains of 20 years service and upwards, in the whole	400
Captains of 15 years service or less, in the whole	300
Subalterns of 20 years service and upwards, in the whole	300
Subalterns of 7 years service and upwards, in the whole	200

Subalterns, under 7 years standing, are not entitled to any remission in the purchase of land.

Regimental staff officers, and medical officers of the army and navy, are allowed the benefit of this rule:—but military chaplains, commissariat officers, and officers of any of the civil departments of the army; pursers, chaplains, midshipmen, warrant officers of every description, and officers of any of the civil departments of the navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the royal navy rank with ensigns in the army, and mates of three years' standing with lieutenants in the army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, officers of the army and navy on full or half pay, should provide themselves with a certificate from the office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, showing that their settlement in a British colony has been sanctioned, and stating their rank and length of service. No document from the office of the Secretary of State is necessary.

4. This certificate will not on any account be issued more than once to the same officer, or to any officer on half pay who shall for two years immediately preceding the date of this notice have resided in the colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of land. This rule, however, is not to affect officers who, having obtained permission to settle in a British colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of the above-named colonies, which will be a sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the regulations being to encourage the permanent settlement in the above-named colonies of military and naval officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, officers will not, for the space of two years from the making out of their certificates, receive a Crown grant for any land purchased by such certificates, but will, in the meantime, receive a "location ticket." At the expiration of two years, the officer, on showing to the satisfaction of the Governor that he is *bonâ fide* a resident settler in the colony, and has so resided continuously since receiving his "location ticket," will be entitled to a Crown grant in exchange for it. If, however, application should not be made for the exchange of the "location ticket" within twelve months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the land

6. Candidates possessing a competent knowledge of all these subjects will be selected for entry in the Dockyards according to the number of marks gained in the examination. Those who fail at the first examination will be allowed a second, if not over age.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. Means will also be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, respecting the working of marine engines and boilers, the practical use of the various instruments used in the engine room, including the indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

8. Engineer Students will be examined twice a year by the Inspector of Schools, and the marks obtained for these examinations will cumulate up to the final one for entry as Assistant Engineer. The final examination will embrace the subjects mentioned in paragraph 5 ..... 1250 marks.

Engineer Students must gain 1000 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 1800 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

9. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

10. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again as any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy, and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander.

MEMORANDUM No. 44.—M.

Admiralty, 10th October, 1863.

(ASSISTANCE TO BE RENDERED TO THE ACCLIMATISATION SOCIETY.)

My Lords Commissioners of the Admiralty, having had under their consideration the important question of Acclimatisation, are pleased to direct that so far as is consistent with the requirements of the public service, and upon the distinct understanding that no expense whatever is incurred, every facility is to be given by the Commanding Officers of Her Majesty's ships and vessels to any accredited agent of the Acclimatisation Society, who may apply to them through any of Her Majesty's Foreign Ministers or Consuls, or through the Governor of any of Her Majesty's Colonies, for the transport of specimens.

The annexed copy of a circular addressed by permission of the Secretaries of State for Foreign Affairs and for the Colonies to Her Majesty's Foreign Ministers and Consuls and Colonial Governors, in various parts of the world, will explain the objects which the Society has in view.

By Command of their Lordships,
C. PAGET.

To all Flag Officers, &c.

ACCLIMATISATION.

Enquiries addressed to Her Majesty's Minister, Governor, or Consul at

The Gentlemen to whom these questions are addressed, are earnestly requested to consider the high importance which will be attached to the answers which they may return, and the service which they will render to the cause of Acclimatisation by endeavouring to the utmost of their knowledge, to make those answers as full and otherwise as satisfactory as possible.

The main purposes of Acclimatisation are to introduce, acclimatise, and propagate in the United Kingdom and its Dependencies such Animals, Birds, Fishes, Insects, and Vegetables as are likely to be of use or ornament, whether for domestication or for varying the common food of the people, or for manufacturing, or for any other useful purpose; and whose constitution and habits offer a reasonable prospect of successful cultivation. It is obvious that in India, Australia, Canada, the Cape, and other important Dependencies, unlimited scope is afforded for almost any variety of experiment.

It is confidently expected that the answers returned to these questions by Her Majesty's Ministers, Governors, and Consuls in different parts of the World, will bring together a mass of information on this interesting and highly important branch of knowledge such as never has been collected before, and the benefit which these Gentlemen will thus confer upon their fellow-countrymen will be in proportion to the fullness and exactness with which those answers are drawn up.

In replying to Questions 1, 2, 3, and 8, it is particularly requested that those special qualities which recommend the Quadrupeds, Birds, Fishes, and Vegetables as fit for food or domestic utility may be described. As regards Quadrupeds, Birds, and Fishes, it will be very desirable to collect all the information which can be got as to the best modes of feeding, keeping, and rearing the same, and, as regards Vegetables, any information as to the best mode of cultivation.

QUESTIONS.	ANSWERS.
I. Is there any Quadruped, indigenous or introduced to the Country in which you reside, which (having regard to the above definition of the objects in view) merits attention with a view to acclimatisation in Great Britain or any of its Dependencies? If there be any such, state whether it is attainable at a reasonable rate, and whether it is likely to bear the risk of transport.	
II. Is there any such Bird?	
III. Is there any such Fish?	
IV. Is there any such Insect?	
V. Is there any such Timber Tree?	
VI. Is there any such Medicinal Plant?	
VII. Is there any Fibrous Plant likely to be useful for manufacturing purposes?	
VIII. Is there any Vegetable suitable for the food of man, or for forage, or for any other useful purpose?	
IX. Do you know any Quadruped, Bird, Fish, Insect, Tree or Plant existing elsewhere, the introduction of which to the country in which you reside would be likely to be beneficial: one of the objects of the Acclimatisation Society being to reciprocate the benefits which it receives from other countries?	
X. Does any Organisation exist, or could it be easily called into existence, capable of undertaking the task of introduction?	
Any Remarks founded upon special knowledge or local information, capable of being made useful to the progress of Acclimatisation, will be desirable.	

MEMORANDUM (late) No. 47.

Admiralty, 4th December, 1863.

(NAVAL MEDICAL SUPPLEMENTAL FUND.)

My Lords Commissioners of the Admiralty having been informed by the Managers appointed under the Winding-up Act of the Naval Medical Supplemental Fund Society, 1861, that, *provided all arrears of contributions*, together with such sums as may become due *to the 31st instant*, are paid up without delay, they will be enabled to carry out fully the purposes of the said Act,—are pleased, in order to facilitate the winding-up of the Society, to desire that all arrears, together with the abatements for the current quarter, may be immediately paid by Medical Officers, either by abatements from Officers' Full Pay, or by remittances to the Treasurers, Messrs. Hallett, Ommaney, and Co.

Should any delay occur in complying with this order, it will be necessary to enforce the rule respecting suspension of pay laid down in accordance with Article 9 of the Order in Council of 13th August, 1817.

CIRCULAR (late) No. 60.—W.

Admiralty, 12th October, 1863.

(THE EDUCATION AND PROMOTION OF THE ENGINEERS OF THE ROYAL NAVY.)

My Lords Commissioners of the Admiralty have had under their consideration the present Regulations for the Entry and Promotion of Engineers in the Royal Navy, and, with the view of improving the education and increasing the efficiency of that Class of Officers, as well as improving the education of the Engineer Boys in the Government Factories, have established the following Regulations, which are to be substituted for those now in force:—

1. The term "Engineer Students" is to be substituted for that of "Engineer Boys."

2. Vacancies for appointments as Engineer Students will be open to public competition.

3. The Lists of Candidates will be kept by the Superintendents of the Dockyards, to whom all applications must be addressed.

4. Candidates must not be less than fifteen or more than sixteen years of age on the first day of the month after the examination. Proof of age will be required by certificate of birth, extract from baptismal register, or declaration before a Magistrate, which must be produced at the time of the examination. They must also produce evidence of respectability and good character on a form which will be furnished by the Superintendents of the Dockyards. They will not be admitted for examination until they have been pronounced fit for H.M. Service by the Medical Officers in the Yards.

5. Examinations will be held in January and June. The

following will be the subjects of examination, and the maximum number of marks for each subject:—

*Arithmetic, including vulgar and decimal fractions, and square and cube roots	250
*Orthography	100
*Handwriting	100
*Grammar and English Composition	200
Geography	100
Translation of French into English	100
*Euclid—First six books	200
*Algebra, including quadratic equations	200
Total	1250

6. Candidates possessing a competent knowledge of all these subjects will be selected for entry in the Dockyards according to the number of marks gained in the examination. Those who fail at the first examination will be allowed a second, if not over age.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. Means will also be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, respecting the working of marine engines and boilers, the practical use of the various instruments used in the engine room, including the indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

8. Engineer Students will be examined twice a year by the Inspector of Schools, and the marks obtained for these examinations will cumulate up to the final one for entry as Assistant Engineer. The final examination will embrace the subjects mentioned in paragraph 5 ..... 1250 marks.

*Plane Trigonometry	150	,,
*Hydrostatics	100	,,
*Mechanics	200	,,
Dynamics	100	,,
Elementary Chemistry	100	,,
*Properties of Steam	100	,,
*General good Conduct and Industry.	300	,,
Total	2300	

Engineer Students must gain 1000 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 1800 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

9. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

10. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Class, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy, and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander.

The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, by fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose: but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships,

C. PAGET.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the

Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such
C. applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 6*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years'
D. standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June,
B. 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers
A. as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in
B. Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected
E. by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be

so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-
F. pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* ,, ,,
If on 14*s.* 6*d.*	20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several

rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

I. 2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

L. 3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at *Windsor*, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time

appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

The following Officers shall be eligible for Commissions or Appointments as Assistant Engineers of the Royal Naval Reserve, viz.:—

(1.) For First Class Assistants of the Royal Naval Reserve, viz.:—

(*a.*) Engineers of British Merchant Ships, or of other British Ships not belonging to Her Majesty, who hold First or Second Class Engineers' Certificates of competency, under "The Merchant Shipping Act Amendment Act, 1862," whose age does not exceed 40 years, who have served as First Engineers of Home Trade passenger steam ships with engines of 100 nominal horse power or upwards for not less than 3 years, or as Second Engineers of foreign-going steam ships, with engines of 100 nominal horse power or upwards for not less than 3 years, and who, at the time of making their application are actually afloat.

(*b.*) Engineers who have attained the rank of Engineer or First Class Assistant Engineer or a higher rank, in the Indian Naval Force of Her Majesty, or in the Service of the East India Company, whose age does not exceed 40 years.

(2.) For the Second Class Assistant Engineers of the Royal Naval Reserve:—

(*a.*) Engineers having similar qualifications to those required of a First Class Assistant Engineer, excepting that they need not have served afloat for a period of 3 years.

Engineers and Assistant Engineers of the Reserve will not be required to undergo drill.

In selecting applicants for Commissions, preference will be given to those possessing Extra Certificates of competency, provided their merits appear to be equal in other respects.

Qualification for a Lieutenant's Commission will be a qualification for a Sub-Lieutenant's Commission; and a qualification for an Engineer's Commission will be a qualification for an Assistant Engineer's Commission.

After the 1st January, 1865, no person will be eligible for a Commission as Lieutenant on the Active List in the Royal Naval Reserve until he has held a Commission as Sub-Lieutenant on the Active List of the Reserve [illegible] and [illegible] Reserve until he has held a Commission or Appointment as Assistant Engineer of the Reserve for one year or upwards.

Honorary Commanders, Chief Engineers, Lieutenants, and Sub-Lieutenants.

In addition to the Officers of the Reserve on the Active List, there shall be a class of Honorary Officers of the Reserve, not exceeding in the whole 160 in number, and of the ranks named below, viz.:—

(*a.*) Honorary Commanders of the Reserve not exceeding 30 in number, and consisting of Officers of the Reserve who have held Lieutenants' Commissions for not less than 5 years, and who are not less than 50 years of age. Honorary Commanders of the Reserve will rank with, but after, Staff Commanders of the Royal Navy.

(*b.*) Honorary Chief Engineers of the Reserve, not exceeding 30 in number, and consisting of Officers of the Reserve who have held Commissions as Engineers of the Reserve for not less than 10 years, and who are not less than 50 years of age. They will rank with, but after, Chief Engineers of the Royal Navy.

(*c.*) Honorary Lieutenants and Sub-Lieutenants of the Reserve, not exceeding 100 in number, and consisting of:—

(1.) For Honorary Lieutenants; Masters of Vessels actually afloat and in command, and possessing qualifications similar to the qualifications of the Lieutenants on the Active List, except that they must be above 45 years of age, and need not be in possession of Certificates of competency; and

(2.) For Honorary Lieutenants; Owners of sea-going pleasure yachts of 50 tons register or upwards, who command and act as Masters of their own yachts; and

(3.) For Honorary Lieutenants; Superintendents of Mercantile Marine Offices who have served as Masters in the Merchant Service; and

(4.) For Honorary Sub-Lieutenants; Deputy Superintendents of Mercantile Marine Offices who have served as Chief Mates, or who have attained a higher rank in the Merchant Service.

Honorary Lieutenants of the Reserve will rank with, but after, Lieutenants and Masters of the Royal Navy; and Honorary Sub-Lieutenants of the Reserve will rank with, but after, Sub-Lieutenants and Second Masters of the Royal Navy.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been at any time on the Active List.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that list, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all [illegible]

enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

(1.) Without rank; or
(2.) On the Honorary List, with the rank they may hold at the time of their retirement; or
(3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants	10*s.* a-day.
Sub-Lieutenants . . .	7*s.* a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT,

The 7th day of January, 1864.

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of January, 1864, in the words following, viz.:—

"Whereas by Your Majesty's Order in Council of the 26th of October, 1860, Your Majesty was graciously pleased to empower us to place on the lowest or any intermediate rate of half-pay such Officers of Your Majesty's Fleet as by misconduct or irregular habits might from time to time render themselves unworthy to enjoy the higher rates of half-pay allowed to their brother Officers; And whereas instances have occasionally occurred in which, in consequence of intemperate or irregular habits, Officers of Your Majesty's Navy and Marines have been pronounced by medical evidence to have unfitted themselves for further active employment: We would humbly submit to your Majesty that in future, when we shall have fully satisfied ourselves, after due enquiry, that an Officer's incapacity for further active service has been occasioned by his own irregular and imprudent conduct, we be authorized to reduce such Officer's half-pay to a still lower scale than is sanctioned by Your Majesty's aforesaid Order in Council, viz., to such an amount below the minimum rate of the half-pay of his rank as we may consider to be adapted to the circumstances of the case."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) Edmund Harrison.

C. PAGET.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the

same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations :

2. The Pensions authorized by these Regulations cannot be claimed as a *Right* ;—they are granted as rewards for good and faithful service rendered by deceased Officers ;—they will only be conferred on persons deserving the Public Bounty ;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances :—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon : provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy ; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service ; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay.*

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the date of these Instructions, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirty-first Day of March next, Our Royal Proclamation of the Thirtieth Day of July One thousand eight hundred and forty-nine, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of Our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of several new Ratings and Denominations and certain alterations having been introduced and made in our Royal Naval Service since the Date of Our said former Proclamation, and for other Causes, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money:

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure

and We do hereby direct, That the Distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows; viz.—

That the flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulation as to the apportionment of the flag share to the flag officer or officers is to be observed.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander under the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

Admiralty, 1st December, 1859.

PRIZES BROUGHT BEFORE THE VICE-ADMIRALTY COURTS ABROAD.

Her Majesty having been pleased, by Her Order in Council of the 22nd day of October, 1859, to establish the following Regulations for the several Courts of Vice-Admiralty abroad, touching the practice to be observed in the said Courts in proceedings instituted on behalf of Her Majesty's Ships, and as to the costs incurred in such proceedings, and for securing the transfer to the account to Her Majesty's Paymaster-General, on account of Naval Prize, of the proceeds of any prizes which may be condemned in the said Vice-Admiralty Courts to any of Her Majesty's Ships, My Lords hereby make known the same for the information of the Officers of Her Majesty's Ships whom they may concern.

1. Whenever any Ship, Vessel, Goods, or Merchandise has or have been detained or captured by any of Her Majesty's Ships or Vessels of War, and it has been determined to send the same before some Vice-Admiralty Court for adjudication, the Commanding Officer of the capturing Ship shall deliver to the Officer who may be sent in charge of the Prize an authority to institute the necessary proceedings, and such authority shall be in the terms or to the effect contained in the Exhibit hereto annexed marked No. 1.

2. The Officer, to whom such authority is given shall, upon his arrival in Port, or the Commanding Officer shall himself, if in Port, deliver the said authority to the Queen's Proctor in the Colony, or in his absence, or on his refusal or default to institute proceedings, to any other Proctor in the said Colony; and such Proctor may thereupon institute the necessary proceedings against the said Prize, with a view to her condemnation.

3. At the termination of the proceedings the Proctor who shall have conducted the suit on behalf of the Queen's Ship shall submit his costs, as also any charges which may have been paid by him, and which are properly chargeable against the said Prize, including the expenses, if any, attending the maintenance and conveyance of the Prize Officer and Crew, for taxation; and the Registrar of the Court, after having carefully examined them, shall report to the Court the amount at which such costs, charges, and expenses ought to be allowed.

4. Should the Prize be condemned, then, if the proceeds arising from the sale thereof are sufficient, the Court may order payment of the sum at which the said costs, charges and expenses have been taxed, to be made out of the said proceeds, and the balance of such proceeds shall be forthwith paid to the senior Commissariat Officer of the place, in order that the same may be remitted to this country, in accordance with the provisions of the Act of the 17th Victoria, cap. 19.

5. But if the proceeds shall be insufficient to pay the amount at which the said costs, charges, and expenses have been taxed, the Court may order the whole of the said proceeds to be paid in part satisfaction thereof; and the said Proctor may then draw on the Accountant-General of the Navy a bill at thirty days after sight, for the balance remaining unpaid, and shall transmit with such bill the authority above mentioned from the Commanding Officer of the capturing Vessel for instituting proceedings against the said Prize.

6. If, however, there shall be no proceeds, or if the Prize against which proceedings have been instituted has been decreed to be restored, the Proctor may draw upon the Accountant-General of the Navy a bill at thirty days after sight for the whole amount at which the said costs, charges, and expenses have been taxed and allowed by the Court, and shall transmit with the said bill the authority from the Commanding Officer of the capturing Ship, authorising him to institute proceedings against the said Prize.

7. The Registrar of the said Court shall, as soon as possible after the said Costs are taxed, and *before* the Proctor has drawn upon the Accountant-General of the Navy for the amount which may be due to him, transmit the account of the said costs, charges, and expenses in original, signed by himself and the Judge of the said Court, to the Registrar of the High Court of Admiralty of England, accompanied with a certificate stating the amount at which it has been taxed, whether the whole or what part thereof has been paid, and whether any and what part remains due, and for which the Proctor may draw upon the Accountant-General of the Navy, and if the proceedings have not been conducted by the Queen's Proctor, whether that officer has declined or refused to conduct them, and on what grounds.

8. The Accountant-General of the Navy shall, upon any such bill as aforesaid being presented to him for payment, forward to the Registrar of the High Court of Admiralty a statement showing the amount for which the bill is drawn, the name and description of the person by whom it is drawn, and the Prize in respect of which the same is payable, and the Registrar shall thereupon inform the Accountant-General whether the amount for which the bill is drawn agrees with the account received by him from the Registrar of the Vice-Admiralty Court, and whether there is any reason why the said bill should not be accepted and paid.

9. Upon receiving the reply of the Registrar of the High Court of Admiralty, the Accountant-General of the

Navy may accept the said bill, in whole, or in part, to the extent of the amount which may appear to be properly due, and shall, if a condemnation has taken place, debit such amount against the Prize in respect of which the said costs, charges, and expenses have been incurred; and the bounties or other monies which have been, or may thereafter be paid to the Naval Prize Account in respect of the said Prize, shall be applied, so far as they will extend, towards the reimbursement of the said amount.

10. But if there should be no such bounties or other monies, or if the bounties or other monies should be insufficient for the purpose, the amount which remains unsatisfied shall be placed to the debit of the Commanding Officer of the Ship of War who authorized the seizure, and shall be charged against any prize money or pay which may be or become due to him, unless the Commissioners for executing the office of Lord High Admiral for the time being shall think proper to relieve him from the payment thereof.

11. The Registrar of each Vice-Admiralty Court shall transmit at the end of each quarter to the Registrar of the High Court of Admiralty a return of all the Prizes in respect of which any proceedings have been taken during the said quarter, in the Form hereto annexed, marked No. 2, showing the name of the Prize, the names of the capturing Ship and of its Commanding Officer, the date of the adjudication, the amounts of proceeds, if any, the amounts of the costs as taxed and allowed, the amount, if any, for which the Proctor has been authorized to draw upon the Accountant-General of the Navy, the payments that have been made out of the proceeds, specifying the amount thereof, to whom paid, and when, and such return shall be signed by the Judge and Registrar of the said Vice-Admiralty Court.

12. These Rules, Orders, and Regulations, if approved by Your Majesty in Council, shall be transmitted to all the Vice-Admiralty Courts within Your Majesty's Dominions, and shall come into operation on the 1st day of January, 1860, or as soon afterwards as it shall be known to the Officers of the respective Vice-Admiralty Courts.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible for both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itimeris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamation to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of *One* per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of *June* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

At the Court at *Windsor*, the 1*st* day of *November*, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it was enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war should be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it was by the said Act also enacted that Her Majesty in Council might from time to time make such orders as might seem meet for the better execution of the said Act:

And whereas it was by the said Act further enacted that the said Act should commence on such day, not later than the first day of January, one thousand eight hundred and sixty-five, as Her Majesty in Council should think fit to direct:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered as follows:

1. This Order and the Naval Agency and Distribution Act, 1864, shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-four.

2. All money distributable among the officers and crew of any of Her Majesty's ships-of-war, within the meaning of the said Act, shall be paid either into the Bank of England to the credit of Her Majesty's Paymaster-General, or into the hands of an official accountant (belonging to the Commissariat or some other Department), appointed for the purpose by the Lords Commissioners of Her Majesty's Treasury, or by the Lords Commissioners of the Admiralty.

3. The Commissioners of Greenwich Hospital shall from time to time pay into the Bank of England, to the credit of Her Majesty's Paymaster-General, all sums certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any such money distributable as aforesaid, as was before the 1st day of June, 1829, paid into Greenwich Hospital.

4. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Lords Commissioners of the Admiralty.

5. If the share of any person of any money distributable as aforesaid is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

6. Notwithstanding that any such share has been forfeited, or is unclaimed, the Lords Commissioners of the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

7. All accounts relative to any money distributable as aforesaid (whether the same became distributable before or after the commencement of the present Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

8. Where it is made to appear to the satisfaction of the Lords Commissioners of the Admiralty that any person entitled to a share of any money distributable as aforesaid, is, from his state of mind, incompetent to the management of his affairs (not being, however, found or declared lunatic in course of law), the whole or any part of such share may be paid over, under the direction of the Lords Commissioners of the Admiralty, to the wife or relative or other person having the care and maintenance of such incompetent person, to be applied for his maintenance and benefit.

9. Any assignment made by a warrant officer of any money distributable as aforesaid shall be void, unless it truly expresses the consideration-money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same.

10. In the subsequent provisions of this Order, the term "subordinate officer," "seaman," or "marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers.

11. The share of any subordinate officer, seaman, or marine of any money distributable as aforesaid shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereinafter prescribed.

12. Every such order shall be drawn on a printed form issued for the purpose to the drawer by the Accountant-General of the Navy.

13. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

The drawer's wife.
" father or mother.
" son or daughter.
" brother or sister.

14. Every such order shall be signed by the drawer in the presence of the person who is to certify according to such directions as may be subjoined to the form of order.

15. Every such order shall be irrevocable during the life of the person in whose favour it is drawn.

16. Nothing in the present Order in Council shall affect any order drawn by a subordinate officer, seaman, or marine before the first day of January, one thousand eight hundred and sixty-five.

17. If on, or at any time after, the first day of January, one thousand eight hundred and sixty-five, a licensed agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any money distributable as aforesaid, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claims shall be duly discharged under the direction of the Lords Commissioners of the Admiralty as nearly as may be, as if the said Act had not been passed.

18. Payments of shares of money, distributable as aforesaid, at places where there are not any Naval Accountants, shall be made upon remittance bills by any officer of the revenue, and the amounts so paid shall be repaid to the respective Departments of the Revenue in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty may from time to time direct; and in all cases of remittance bills made out and not paid, owing to the death of the party or other cause, such bills shall be returned to the Accountant-General of the Navy to be cancelled.

19. An account shewing all the receipts and expenditure on account of money distributable as aforesaid, made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

EDMUND HARRISON.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only;

I By Command of their Lordships,

SIDNEY HERBERT.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

The education in the Nautical Division will embrace such mathematical instruction as is necessary for a sound knowledge of the principles of navigation, the theory and practice of marine surveying, construction of charts, the practical use of instruments for magnetical and astronomical purposes, together with the usual elements of an English education, the study of the Bible, and instruction in the doctrines of Christianity, with such modifications in the course of instruction as the Lords Commissioners of the Admiralty may from time to time direct.

The education of the other boys, who comprise the "Lower Division" of the school, will include reading, writing, spelling, arithmetic, the elements of algebra, Euclid, plane trigonometry, the principles of the steam engine, together with such simple elements of practical science as are made the subjects of the evening lectures to the boys. Also the elements of an English education and religious instruction.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholic or of Protestant Dissenters will not be required to learn the Church Catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the Father be dead at the time of a child's admission, then the marriage certificate, or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such Child

SEA-TIME TO AGENTS OF TRANSPORTS.*

At the Court at Buckingham Palace, The 25th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

WHEREAS there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 24th of this instant June, in the words following, viz.:—

"Whereas we are of opinion, that it would be desirable, for the benefit of Your Majesty's Naval Service, to hold out every encouragement to Commanders, Lieutenants, and Masters holding the appointment of Agent for Transports; and as these Officers are under existing Orders in Council, denied Sea-Time whilst serving in this capacity, which operates to their disadvantage in regard to Promotion and the increase of Half-Pay. We would, in all humility, recommend to your Majesty, that Commanders, Lieutenants, and Masters who may now be serving, and who for the future may be employed as Agents of Transports, shall be allowed to reckon such service as Sea-Time."

Her Majesty having taken the said Memorial into consideration was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) WM. L. BATHURST.

* By Admiralty Order of 20 July, 1863, officers employed in this capacity are to be styled "Transport Officers."

In cases of the loss having been sustained by officers and men in *the performance of their duties*, in the strictest sense of the term, the loss will be made good free of charge, provided satisfactory evidence is produced that the loss occurred under circumstances beyond their control; but in cases of loss while they were not on duty, the loss can only be replaced on payment of the price of the Medal or Clasp.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commander of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, by the Staff Officer of the District in which he resides; and in such certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

(NAVAL RETIREMENT.)

At the Court at Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's *Most* Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz.:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek uture Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"*First, as relates to Captains.*

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"Captains who may arrive at the head of the list without having served in that rank, to be placed on the list of Reserved Flag Officers, with the pay of 20*s.* per diem.

"In making these proposals, we would humbly submit that Captains now on the 14*s.* 6*d.* Half Pay List, should not be affected by them, unless by their own desire.

"*Second, as relates to Commanders.*

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who may hereafter attain that age, be placed on a Retired List, with the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

"Time served in command of Revenue Vessels to count as Sea Time.

"Time served in the Coast Guard on Shore, or in Transport Service on Shore, to count as Sea Time, in the scale of Retired Pay, in the proportion of three years in the Coast Guard or Transport Service as one of Sea Service.

"Time served as Mail or Transport Agents afloat or abroad to count for the above purpose as Sea Time, for the first three years, and after that in the proportion of three years' agent's time as two of Sea Service.

At the Court at Windsor,
the 9th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"First, as relates to Captains.

"1. That the Active List of Captains shall be reduced from 350 to 300.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

"If on the 10s. 6d. Half-pay List when retired				18s. per diem.
If on the 12s. 6d.	"	"	"	} 20s. "
If on the 14s. 6d.	"	"	"	

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.

"3. That the above system of retirement shall be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8.

"4. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to allow a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

"7. That the increased rate of 25s. per diem Half-pay shall be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of retired pay or emolument.

"8. That no Officer who was not on the Active List of Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

"Second, as relates to Commanders.

"9. That the Active List of Commanders be reduced from 450 to 400.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 15 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

"11. That the same plan of retirement, with its corre-

sponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

" 12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

" 13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

" Third, as relates to Lieutenants.

" 14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

" 15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

" 16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

" 17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of those classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

" Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Admiralty, 17th June, 1862.

(ENGAGEMENTS FOR CONTINUOUS SERVICE.

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relating to engagements for continuous service, be promulgated for the information and guidance of the Officers in command of Her Majesty's ships, and the seamen of the Fleet:—

1. Men who enter the Royal Navy for the first time as continuous service men, are to engage for 10 years' service. Having served that period, they may have the option of completing their time for pension either by two separate entries of 5 years each, or by one entry for 10 years.

2. Non-continuous service men who volunteer for continuous service, are likewise to be entered for 10 years. Those who so volunteer, when serving afloat, may be permitted to count towards such 10 years any period of non-continuous service time, not exceeding 3 years, served on board the particular ships from which they volunteer.

3. Men who have completed 10 years' service under the rules laid down in the preceding paragraph, and those who have served 7 years' continuous service under the regulations in force prior to the 1st of January last, are to have the option of re-entering for 5 years, and a subsequent entry for the period necessary to complete their time for pension; or they may engage for the whole period requisite for that purpose.

4. No man who has served 10 years upon the non-continuous service system is to be permitted to enter for continuous service, unless, within 12 months after having completed the said period, he engages for one term of 10 years' further service.

EXTRACT FROM LATE CIRCULAR, No. 288.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a Ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the

Excellent on the first * Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 58, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates, shall equally apply to them. Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

INFORMATION FOR MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN COLONIES.*

1. Privileges in the acquisition of lands are at present allowed to military and naval officers in the colonies of New South Wales, Western Australia, some of the provinces of New Zealand,† Ceylon, the Cape of Good Hope, Natal, and British Columbia.

In all the above-mentioned colonies, except Ceylon, the control of the waste lands of the Crown has been transferred to the local legislatures. Her Majesty's Government cannot therefore guarantee the continuance of the following regulations, as they will be liable to be altered or discontinued by the local legislatures.

2. In the above-named colonies land is disposed of by sale only; but officers purchasing land are allowed a remission of the purchase money, according to the under-mentioned scale:—

	£
Field officers of 25 years service and upwards, in the whole	600
Field officers of 20 years service and upwards, in the whole	500
Field officers of 15 or less years service, in the whole	400
Captains of 20 years service and upwards, in the whole	400
Captains of 15 years service or less, in the whole	300
Subalterns of 20 years service and upwards, in the whole	300
Subalterns of 7 years service and upwards, in the whole	200

Subalterns, under 7 years standing, are not entitled to any remission in the purchase of land.

Regimental staff officers, and medical officers of the army and navy, are allowed the benefit of this rule:—but military chaplains, commissariat officers, and officers of any of the civil departments of the army; pursers, chaplains, midshipmen, warrant officers of every description, and officers of any of the civil departments of the navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the royal navy rank with ensigns in the army, and mates of three years' standing with lieutenants in the army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, officers of the army and navy on full or half pay, should provide themselves with a certificate from the office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, showing that their settlement in a British colony has been sanctioned, and stating their rank and length of service. No document from the office of the Secretary of State is necessary.

4. This certificate will not on any account be issued more than once to the same officer, or to any officer on half pay who shall for two years immediately preceding the date of this notice have resided in the colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of land. This rule, however, is not to affect officers who, having obtained permission to settle in a British colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of the above-named colonies, which will be a sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the regulations being to encourage the permanent settlement in the above-named colonies of military and naval officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, officers will not, for the space of two years from the making out of their certificates, receive a Crown grant for any land purchased by such certificates, but will in the mean time, receive a "location ticket." At the expiration of two years, the officer, on showing to the satisfaction of the Governor that he is *bonâ fide* a resident settler in the colony, and has so resided continuously since receiving his "location ticket," will be entitled to a Crown grant in exchange for it. If, however, application should not be made for the exchange of the "location ticket" within twelve months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the land

will be open to sale or grant. In case of the officer's dying while holding a "location ticket," the land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "location ticket" is obtained, the Governor of the colony is authorised to make the certificate available in favour of the child, or other nearest representative of the deceased officer, as he may find advisable.

7. The Rules for the sale of land in the Australian Settlements, and at the Cape, and Ceylon, will be found at pages 85 to 87. The prices stated in those Rules are of course subject to a revision at any time by the proper authorities, and the pecuniary amount of the remission made to officers cannot be increased on account of an increased value set upon the lands.

REGULATIONS FOR OFFICERS SETTLING IN BRITISH COLUMBIA.

PROCLAMATION.

No. 2, A.D. 1863.

By his Excellency James Douglas, Companion of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of British Columbia and its Dependencies, Vice-Admiral of the same, &c., &c.

WHEREAS, under and by virtue of an Act of Parliament, made and passed in the Session of Parliament held in the 1st and 22nd years of the Reign of Her Majesty Queen Victoria, entitled "An Act to provide for the Government of British Columbia," and by a Commission under the Great Seal of the United Kingdom of Great Britain and Ireland, I, JAMES DOUGLAS, have been appointed Governor of the said Colony, and have been authorized by Proclamation issued under the Public Seal of the said Colony, to make laws, institutions, and ordinances for the peace, order, and good government of the same;

And whereas by a Proclamation duly made and issued under the Great Seal of the Colony of British Columbia, and dated on, or about, the 18th day of March, 1861, certain remissions in the purchase money of Country Lands in the said Colony purchased for actual settlement, were granted to certain Officers of Her Majesty's Royal Army and Navy in certain cases;

And whereas such remissions were originally calculated upon the basis of the price of such Country Lands being one pound sterling per acre;

And whereas the price of such Country Lands has been reduced to four shillings and twopence per acre;

And whereas it is expedient to repeal the said Proclamation, and to provide that the remissions aforesaid should be reduced proportionately with the said reduction in the price of Country Land, and free grants of lands substituted for remissions in money;

Now therefore, I do hereby declare, proclaim, and enact as follows;

I. The said Proclamation of the 18th day of March, 1861, shall be, and is, hereby repealed, as and from the 1st day of January, A.D. 1863.

II. Every Officer who has actually settled upon Country Lands in the said Colony, under the said Proclamation, and has been duly complying with the requirements thereof, may complete his Title to such lands under such Proclamation; or, by a Notice in writing under his hand, addressed and delivered to the Chief Commissioner of Lands and Works for the Colony, may obtain Title to such Lands under this Proclamation, upon such terms as the said Chief Commissioner shall by any Certificate in writing under his hand in that behalf prescribe.

III. From and after the date hereof, Military and Naval Officers in Her Majesty's Service of the Rank hereinafter specified, or of the ranks respectively relative thereto, who shall, with the view of actually settling and residing thereon, take up any unoccupied and unsurveyed Country Lands in British Columbia, shall, subject as hereinafter is mentioned, and upon the production of the Certificate hereinafter also mentioned, be entitled without pay, to free grants of such Lands in the amounts and in manner following, that is to say;

MEMORANDUM No. 44.—M.

Admiralty, 10*th October*, 1863.

(ASSISTANCE TO BE RENDERED TO THE ACCLIMATISATION SOCIETY.)

My Lords Commissioners of the Admiralty, having had under their consideration the important question of Acclimatisation, are pleased to direct that so far as is consistent with the requirements of the public service, and upon the distinct understanding that no expense whatever is incurred, every facility is to be given by the Commanding Officers of Her Majesty's ships and vessels to any accredited agent of the Acclimatisation Society, who may apply to them through any of Her Majesty's Foreign Ministers or Consuls, or through the Governor of any of Her Majesty's Colonies, for the transport of specimens.

The annexed copy of a circular addressed by permission of the Secretaries of State for Foreign Affairs and for the Colonies to Her Majesty's Foreign Ministers and Consuls and Colonial Governors, in various parts of the world, will explain the objects which the Society has in view.

By Command of their Lordships,

To all Flag Officers, &c. C. PAGET.

ACCLIMATISATION.

Enquiries addressed to Her Majesty's Minister, Governor, or Consul at

The Gentlemen to whom these questions are addressed, are earnestly requested to consider the high importance which will be attached to the answers which they may return, and the service which they will render to the cause of Acclimatisation by endeavouring to the utmost of their knowledge, to make those answers as full and otherwise as satisfactory as possible.

The main purposes of Acclimatisation are to introduce, acclimatise, and propagate in the United Kingdom and its Dependencies such Animals, Birds, Fishes, Insects, and Vegetables as are likely to be of use or ornament, whether for domestication or for varying the common food of the people, or for manufacturing, or for any other useful purpose; and whose constitution and habits offer a reasonable prospect of successful cultivation. It is obvious that in India, Australia, Canada, the Cape, and other important Dependencies, unlimited scope is afforded for almost any variety of experiment.

It is confidently expected that the answers returned to these questions by Her Majesty's Ministers, Governors, and Consuls in different parts of the World, will bring together a mass of information on this interesting and highly important branch of knowledge such as never has been collected before, and the benefit which these Gentlemen will thus confer upon their fellow-countrymen will be in proportion to the fullness and exactness with which those answers are drawn up.

In replying to Questions 1, 2, 3, and 8, it is particularly requested that those special qualities which recommend the Quadrupeds, Birds, Fishes, and Vegetables as fit for food or domestic utility may be described. As regards Quadrupeds, Birds, and Fishes, it will be very desirable to collect all the information which can be got as to the best modes of feeding, keeping, and rearing the same, and, as regards Vegetables, any information as to the best mode of cultivation.

QUESTIONS.	ANSWERS.
I. Is there any Quadruped, indigenous or introduced to the Country in which you reside, which (having regard to the above definition of the objects in view) merits attention with a view to acclimatation in Great Britain or any of its Dependencies? If there be any such, state whether it is attainable at a reasonable rate, and whether it is likely to bear the risk of transport.	
II. Is there any such Bird?	
III. Is there any such Fish?	
IV. Is there any such Insect?	
V. Is there any such Timber Tree?	
VI. Is there any such Medicinal Plant?	
VII. Is there any Fibrous Plant likely to be useful for manufacturing purposes?	
VIII. Is there any Vegetable suitable for the food of man, or for forage, or for any other useful purpose?	
IX. Do you know any Quadruped, Bird, Fish, Insect, Tree or Plant existing elsewhere, the introduction of which to the country in which you reside would be likely to be beneficial: one of the objects of the Acclimatisation Society being to reciprocate the benefits which it receives from other countries?	
X. Does any Organisation exist, or could it be easily called into existence, capable of undertaking the task of introduction?	
Any Remarks founded upon special knowledge or local information, capable of being made useful to the progress of Acclimatisation, will be desirable.	

MEMORANDUM (late) No. 47.

Admiralty, 4*th December*, 1863.

(NAVAL MEDICAL SUPPLEMENTAL FUND.)

My Lords Commissioners of the Admiralty having been informed by the Managers appointed under the Winding-up Act of the Naval Medical Supplemental Fund Society, 1861, that, *provided all arrears of contributions*, together with such sums as may become due *to the* 31*st instant*, are paid up without delay, they will be enabled to carry out fully the purposes of the said Act,—are pleased, in order to facilitate the winding-up of the Society, to desire that all arrears, together with the abatements for the current quarter, may be immediately paid by Medical Officers, either by abatements from Officers' Full Pay, or by remittances to the Treasurers, Messrs. Hallett, Ommaney, and Co.

Should any delay occur in complying with this order, it will be necessary to enforce the rule respecting suspension of pay laid down in accordance with Article 9 of the Order in Council of 13th August, 1817.

By Command of their Lordships,

CIRCULAR (late) No. 60.—W.

Admiralty, 12*th October*, 1863.

(THE EDUCATION AND PROMOTION OF THE ENGINEERS OF THE ROYAL NAVY.)

My Lords Commissioners of the Admiralty have had under their consideration the present Regulations for the Entry and Promotion of Engineers in the Royal Navy, and, with the view of improving the education and increasing the efficiency of that Class of Officers, as well as improving the education of the Engineer Boys in the Government Factories, have established the following Regulations, which are to be substituted for those now in force:—

1. The term "Engineer Students" is to be substituted for that of "Engineer Boys."

2. Vacancies for appointments as Engineer Students will be open to public competition.

3. The Lists of Candidates will be kept by the Superintendents of the Dockyards, to whom all applications must be addressed.

*4. Candidates must not be less than fifteen or more than sixteen years of age on the first day of the month after the examination. Proof of age will be required by certificate of birth, extract from baptismal register, or declaration before a Magistrate, which must be produced at the time of the examination. They must also produce evidence of respectability and good character on a form which will be furnished by the Superintendents of the Dockyards. They will not be admitted for examination until they have been pronounced fit for H.M. Service by the Medical Officers in the Yards.

*5. Examinations will be held in January and June. The

* By Regulations of 10th of May, 1864, it is laid down that applications must be addressed to the Superintendents of the Dockyards before the 1st of May, or 1st of November, in each year. Candidates must not be less than fifteen, nor more than sixteen years of age on the first day of the Examination. The Examinations will commence on the first Tuesdays in June and December.

following will be the subjects of examination, and the maximum number of marks for each subject:—

*Arithmetic, including vulgar and decimal fractions, and square and cube roots	250
*Orthography	100
*Handwriting	100
*Grammar and English Composition	200
Geography	100
Translation of French into English	100
*Euclid—First six books	200
*Algebra, including quadratic equations	200
Total	1250

6. Candidates possessing a competent knowledge of all these subjects will be selected for entry in the Dockyards according to the number of marks gained in the examination. Those who fail at the first examination will be allowed a second, if not over age.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. Means will also be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, respecting the working of marine engines and boilers, the practical use of the various instruments used in the engine room, including the indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

8. Engineer Students will be examined twice a year by the Inspector of Schools, and the marks obtained for these examinations will cumulate up to the final one for entry as Assistant Engineer. The final examination will embrace the subjects mentioned in paragraph 5 ..... 1250 marks.

*Plane Trigonometry	150	,,
*Hydrostatics	100	,,
*Mechanics	200	,,
Dynamics	100	,,
Elementary Chemistry	100	,,
*Properties of Steam	100	,,
*General good Conduct and Industry.	300	,,
Total	2300	

Engineer Students must gain 1000 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 1800 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

9. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

10. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy, and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander.

The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, by fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose: but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships,
C. PAGET.

In pursuance of Her Majesty's Order in Council of the 9th of July, 1864, the Lords Commissioners of the Admiralty are pleased to issue the following Rules and Regulations relative to sea time:—

Definition of Sea Service.

1. Sea Service to be defined and regarded in the case of executive officers as time served in Her Majesty's ships actually employed on active service at sea, or in Her Majesty's vessels actually employed in surveying, or in command of Her Majesty's Yacht.

2. The employment of an Officer in the following capacities to reckon only as time entitling him to increased pay or retired pay, and not as sea service (except as provided in paragraph 3), such time to reckon in the proportions which have been or may be defined by Order in Council.

a. Harbour or Coast Guard Service in ships, whether at home or abroad.
b. Coast Guard Transport and Packet Service on shore.
c. Superintendent of a Dockyard.
d. Mail Agent or Transport Officer.
e. Surveying Coasts and Harbours in other than regular surveying Vessels.

As relates to Captains.

3. To qualify a Captain whose seniority brings him in turn for advancement to the active list of Flag Officers, he must have been borne on the books of one or more of Her Majesty's Ships as Captain four complete years during war, or six complete years during peace, or five complete years during war and peace combined, three years of such complete period to be sea service in command of one of Her Majesty's rated ships, as defined in paragraph 1; and the remainder, as the case may be, in command of a Coast Guard or Harbour Ship, or as Superintendent of a Dockyard, or in Transport duties afloat, or as additional for full pay on the books of a Ship in Commission for service afloat or for service in Naval Barracks. Officers who have completed the time required by existing regulations to qualify them for their active flag will not be subjected to this rule.

4. To entitle a Captain to count war time, he must have commanded a ship actually employed on active service at sea, or a vessel actually employed in surveying, during war by Royal proclamation, unless otherwise provided for by special Order in Council.

5. No Captain will be eligible to command a stationary ship at home, or a Coast Guard ship, or to Superintend a Dock Yard, Victualling Yard, Naval Hospital, or Naval Barracks, who has not previously commanded a sea-going ship as Captain for three years.

As relates to Commanders.

6. The one year's service required to qualify a Commander for promotion to the rank of Captain on the active list, must be sea service as defined in paragraph 1.

7. No Commander will be eligible to command a stationary ship at home who has not one year's sea service.

---

* The Widows of these Officers may be awarded the above pensions, provided their husbands shall have been confirmed in the Rank one year, and shall have been married before attaining the age of 50, according to the rule in force for Warrant Officers.

As relates to Lieutenants.

8. The two years' service required to qualify a Lieutenant for promotion to the rank of Commander on the active list, must be sea service as defined in paragraph 1.

(HEALTH OF CREWS OF HER MAJESTY'S SHIPS.)

My Lords Commissioners of the Admiralty having had under consideration the expediency of a Medical Examination of the Crews of Her Majesty's Ships at certain periods, with a view to ascertain whether any are suffering from diseases, many of which, aggravated by neglect, incapacitate men for service; their Lordships are pleased to direct that before a ship leaves England, or any port where there is a Naval Hospital, steps shall be taken to ascertain whether any of the men are suffering from any disease requiring Hospital treatment. For this purpose the Officers of the Divisions, accompanied by a Medical Officer, are to go carefully round the Divisions, and are to call upon their men to report to the Surgeon any complaint, however trifling, and should there be reason to fear from the appearance of any Man that he may be suffering from concealed disease they are to order him to be medically inspected.

My Lords further direct that no Man discharged from the Sick List after the Venereal Disease shall be allowed to go on leave till eight days have elapsed from the date of his discharge.

Should a Commanding Officer find, on inquiry in any port abroad which his ship may occasionally visit, that the Venereal Disease is notoriously prevalent, he may exercise his discretion in withholding leave during his stay at the place, should due regard for the health of the Officers and Men under his command, and the duty on which he is employed, render such a precaution necessary. In every case of his refusing leave on this ground, he is to report the fact to his Commander-in-Chief, stating his reasons for having done so.

5. *Promotion.*—They shall—if they distinguish themselves by acts of gallantry and daring in the Service, and are of exemplary character—be considered eligible for promotion to such of the higher grades of Commissioned Officers as the Admiralty may deem them (after undergoing an examination) worthy of, and competent to fill; and on such promotion being conferred on them, they will be entitled to the sum of 100*l.* as a gratuity, to provide themselves with a proper outfit.

6. *Lodging and subsistence allowances.*—When travelling on the public service, they will be granted the same allowances for lodging and subsistence as Sub-Lieutenants.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the

Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. WARD.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

Admiralty, 1st June, 1847:

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. WARD.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1859.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

D. 2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

B. 1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

A. 2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will b

so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-
F. pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired . . . . . 18*s.* per diem.
If on 12*s.* 6*d.* . . . . . 20*s.* ,, ,,
If on 14*s.* 6*d.* . . . . . 20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several

rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

U. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List with the Rank and Title of Retired Captain, and to receive Half-pay according to their length of Sea-Service, on the Scale hereinafter mentioned.

Commanders, on the Active List, who have not been employed either afloat, in command of Revenue vessels, in the Coast-Guard, or as Mail or Transport Agents,
V. within a period of 15 years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea-Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the Rank and Title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

Officers, after 20 years' service in these Ranks, or who are physically incapable of Service, to be eligible for this Retirement, with the Rank and Title of Retired Captain, irrespective of age, at the discretion of the Board of Admiralty.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

1. The Active List of Commanders to be reduced from 450 to 400.

2. The existing system of placing on the Retired List, under the conditions
U V. specified in the Order in Council of August, 1860, all Commanders who have not served within a period of fifteen years, either afloat or in command of Revenue Vessels, or in the Coast-Guard, or as Mail Agent, or Transport Officer, to be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, or on attaining fifteen years seniority on the List of Commanders, and to receive, on their retirement, pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire will be allowed to reckon their service in the Coast-Guard on shore, or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

3. The same plan of retirement, with its corresponding benefits of rank and Retired Pay, to be extended to Commanders who may have attained the age of fifty-five, provided they be willing and desirous to accept the same.

4. A limited number of Commanders who may have attained the age of forty-five, and who are not desirous of further employment, may be retired on the foregoing condition, at the discretion of the Board of Admiralty. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers to take place under this clause.

5. Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of August, 1860, as well as those who may hereafter so retire, to be allowed to assume the rank of Retired Captain, on attaining fifteen years seniority, but without any increase of Half-pay or Widows' Pension, beyond that authorised by the said Order in Council.

RETIREMENT OF 1851—*continued.*

LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz:
